

Classroom Rules (Teacher)

- ◆ Enhance student's abilities of learning.
 - ✚ Maintain students engaged on task.
 - ✚ Always check for understanding.
 - ✚ Express yourself using body language and your tone of voice.
 - ✚ Raise your hand to call for your students' attention.
 - ✚ Use classroom procedures to create consistency.
- ◆ Foster a classroom environment of respect and acceptance.
 - ✚ Keep your distance.
 - ✚ State and support fair consequences to modify negative student's attitudes and behaviors.
 - ✚ Maintain high expectations from your students.
 - ✚ Create a seating chart mixing students of different background.
 - ✚ Create working groups to foster collaborative learning.
